Attend Event

Join the **Department of Health Care Policy and Financing** (the Department), the **Centers for Medicare and Medicaid Services** and your fellow Colorado Medicaid providers, policy makers, clients, and advocates as we reflect on the first year of Accountable Care Collaborative (ACC) Medicare-Medicaid Program (MMP). With the help of The Civic Canopy, we will celebrate our hard work and successes, and plan for the future.

It takes a **TEAM** to serve our clients. The Symposium will use a team approach to explore a year of collective learning and apply our lessons to help us work better together to serve Medicare-Medicaid Enrollees.

Everyone should attend: clients, caregivers, care coordinators, lay health workers, case managers, clinicians, administrators, advocates. All of you are integral to the team it takes to serve our clients well.

Please join us for this important opportunity to engage with our community on how we can improve the client experience for Medicare-Medicaid Enrollees. There are no registration fees. Hotels and travel vouchers will be available on a limited basis; please indicate your need in the registration survey.

If you are unable to join in person, we encourage you to register using the "attend event" button above and select the "webinar only" ticket option. Instructions will be shared after registration.

If you are in need of hotel accommodations, please note the negotiated rate with the Hilton Garden Inn Denver/Cherry Creek.
